Personal Issues

The following questions deal with very personal issues, but issues that we feel are important for us to know. Your honesty in answering each of these questions is appreciated and you can be confident in knowing that all information shared will be kept in the strictest of confidence.

the **mst** project

1. Have you ever struggled with or are currently struggling with an addiction to pornography (*internet, movies, magazines, sex chats*) or sexual fantasy? If so, please explain.
2. Have you ever struggled with or are currently struggling with periodic or compulsive masturbation? If so, please explain.
3. When faced with any of the above-mentioned temptations how do you typically respond?
4. Are you currently involved in an accountability group for one of the above-mentioned issues or any other issue? If so, how do you plan on continuing that level of accountability while in Thailand working with the MST Project?
5. Do you have any fears or hesitations about working in this type of ministry? If so, please explain.
6. How would you like the staff of the MST Project to assist you with accountability?
